## Join the NoseCone Club

Mobil 1 Sussex Racing is once again proud to announce our continued support for "Help for Heroes". The Nose Cone Club encourages people to be part of a unique opportunity to have their signature on the front of our race car. It has now become a yearly tradition for Sussex Racing to promote Help for Heroes via the NoseCone Club and this year one of our main sponsors Santander, is matching each donation a pound for a pound up to a total of £1000.

Last year we raised a record high of over £1215 and our goal is to continue to increase the amount of money we raise, which can only be made possible with your help.
