

How can their uptake and use be supported?

Portfolios in teaching

Dr Sarah Watson and Dr Paolo Oprandi, University of Sussex

Why use them?

- **Inclusivity**: allow students to **demonstrate a wide range of skills**
- Document **student progression**
- Promote **consistent engagement**
- Encourage **peer learning, reflection and personalisation** of learning

How are they being used?

- **Varied assessment tasks**
- **Reflections on weekly topics** and readings
- **Linking theories to practice**
- **Collating workshop and practical reports**

Support required

So far our survey has told us that

93% of respondents highlighted technical support as an important factor for progressing with portfolios

Guidance on **set-up and use** of portfolio platforms

64% of respondents said that a wide network of academics was an important factor for progressing with portfolios

Case studies/seminars/discussion panels demonstrating the successful use of portfolios

36% of respondents highlighted pedagogical guidance as an important factor for progressing with portfolios

Guidance on the **pedagogical benefits** of portfolios
